

DIVORCES FOR FIVE PETITIONERS

On Uncontested List Discontented Life Partners Filed Marital Bonds—Wives Left to Support Children—One Husband Brutally Cruel.

In five divorces granted here on Friday morning by Judge Williams at the short calendar session of the superior court, the grounds upon which the petitions obtained their decrees, but in several it was shown that the attractions of others besides their wedded partners seemed to figure in the separation.

In all but one of the cases the petitioner for divorce was the wife. New London people furnished four out of the five cases.

Transferred Her Affections.
Harry Christ of New London was given a divorce on the grounds of desertion from Jennie Christ, who was a Montville young woman by the name of Penhallow when he married her in 1905. Mr. Christ testified that his wife is living with the New London policeman better and she finally went to live with Levey. Mrs. Christ Cook, who testified that she had been married to Mr. Christ in 1905, testified that she had seen Levey at several times. Peter Jacob Hall told of frequent visits made by Levey to the Hall house while Mrs. Christ had been there, and other men called as well, he said.

Too Things Away in a Team.
Jennie E. Fletcher of Voluntown, whose maiden name was Jackson and who was married to Cyrus W. Fletcher in 1902 on Columbus day, obtained a divorce on the grounds of desertion. The wife said she always had to work and that her husband never supported her. In 1908 he went away with a team and took his things and said he had tried to get a divorce but had failed because he had no evidence.

Dr. S. H. Sweet of Jewett City testified for Mrs. Fletcher and her sister, Mrs. Francis L. Whipple, also spoke for her. She said there was another woman in the case whom the husband liked more than he did his wife. Attorney Arthur M. Brown conducted the case for Mrs. Fletcher.

Letter from Another Woman.
Julia Millicent Metcalf was given a divorce and the custody of two of her three children. The complaint was on the grounds that George H. Metcalf of New London, whom she married in 1901, had deserted her. Twice she had had him arrested for non-support and she said her husband was going around with another woman. She showed a letter from a woman which she found in her husband's pocket. It was from a woman who teaches school in Canterbury.

Mrs. Lovell Clark told of caring for Mrs. Metcalf when her child was born six years ago, and she knew that Mr. Metcalf had lived with his wife.

Also the privilege of witnessing a most remarkable demonstration of what STUART'S PLAPAO-PADS do for ruptured people. The Plapao-Pads are an entirely new and wonderful treatment for rupture, curing as they do the worst forms of hernia, and without any pain, and without hindrance from work and at slight expense.

RUPTURE CURED BY STUART'S PLAPAO-PADS
means that you can throw away the painful truss altogether, as they are made to cure the rupture, and hold it to hold it, but being self-adhesive, and when adhering to the body slipping is impossible, therefore they are also an important factor in retaining rupture that cannot be held by a truss. No straps, buckles or springs. NO TRUSS. Demanding no special authority on matters pertaining to rupture, will be at the Wauregan Hotel Sunday, June 23d, 10 a. m. to 7 p. m. and he will be pleased to give without charge to all who call, a miniature and trial treatment. one finds some of the best. They are made by plowing up the road, saturating them with crude oil and rolling them down hard. They are absolutely dustless. But New England has many miles of good roads and where you find good roads you find good farms, good people, good churches. Farmers have built most of the roads and they belong to all the people. If you don't have good roads it is your own fault. Apply good business principles to building roads and have the best.

Music and winding the May pole came next after crowning Miss Alice Bishop queen of the May by five little girls and boys and installing her on her throne with her maids of honor. Twelve young ladies wound the May pole. It was a beautiful exercise and had to be seen to be appreciated. About 300 were present in the afternoon. Mrs. L. A. Bennett, 46 Palmer St., Norw., Conn., says: "Some years ago a member of my family suffered from backache. Every cold he caught settled on his kidneys and aggravated the trouble. His kidneys were disordered as was shown by the kidney secretions being irregular in passage. Doan's Kidney Pills, procured at N. D. Sevin & Son's Drug Store, brought prompt relief." (Statement given August 27, 1908.)

LASTING EFFECT.
At a later interview Mrs. Bennett said: "Doan's Kidney Pills cured a member of my family of kidney trouble some years ago and there has been no recurrence of it. I willingly confirm my former public endorsement of this remedy."

THE TRUE TEST

Tried in Norwich, It Has Stood the Test.

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Norwich. Kidney sufferers can hardly ask for stronger proof than the following:

His kidneys were disordered as was shown by the kidney secretions being irregular in passage. Doan's Kidney Pills, procured at N. D. Sevin & Son's Drug Store, brought prompt relief."
